

Song of Summer

by Lenore Hetrick

I hear the voice of summer
Singing a song of flowers,
Singing a song of meadows
Where buttercups spring in showers.
Her voice is high and lilting
As summer gets under way
I think that I shall join her song
Now that it's school's last day.

I see the foot of summer
In every shady lane.
She leaves deep beds of daisies
To make her footprints plain.
I think that I shall gather
Daisies for a crown,
And side by side with summer
I'll fly right out of town.
